We may have to call you to adjust dates according to level of participation. We are looking to accommodate 4 to 10 students per session:

Following the last-day campout when parents pick up their children, we would like the opportunity to conduct a graduation ceremony and present each child with a certificate of completion and to offer the opportunity for each child to introduce their parents to their favorite horse and maybe show their parents a little of what they have learned. This will be done between 9:00 and 10:00 a.m. after the last day.

Please provide below any information or concerns about your child that we may need to know about:

Medical Emergency: In the event of a Medical Emergency, we need your authorization to seek the appropriate immediate care that may be required.
